To Love a Child announces Kids Helping Kids Project

Clifton Park, NY--

Calling all Kids, families, clubs and groups. Looking for a community service project? We've got just the thing. To Love a Child, Inc. announces its annual Kids Helping Kids project. It's that time again when kids gather to do some tremendous things for children less fortunate. To date, over \$12,500 has been raised by kids by conducting a kick ball game, selling homemade granola, holding a raffle, organizing a bake sale, selling bows and more! Participants will be recognized at the annual dinner on November 15, 2019

You are encouraged to visit our website to learn more about the program and how you can help by creating and hosting a very simple event. Lots of fun ideas! Visit our website at www.toloveachild.net to learn more or call 518-859-4424.

Established in April of 2009, To Love a Child, Inc. is a nonprofit 501 (c) 3 organization that provides humanitarian assistance to impoverished children and their families throughout the world to help create a better future and quality of life for all.

It's all about the love for a child...a child on the other side of the world or a child in your own back yard. It's about a child who needs education, essential supplies and support services. It's about a child who needs a warm hug, a smile and the hope, strength and encouragement to keep going and not give up. It's who we are and what we strive to do. Further information about the organization and its programs can be found at www.toloveachild.net.
