Clifton Park, NY--

#### **To Love A Child announces Annual December Angel Match \$15,000 Challenge**

To Love A Child, Inc., a local 501(c)3 nonprofit organization announces its Annual Angel Match \$15,000 Challenge. This event kicks off on Giving Tuesday November 30<sup>th</sup> and will extend thru December 31<sup>st</sup>. Two anonymous “angels” have pledged to match every donation during the month of December up to a \$15,000 total. Donations assist people suffering from abject poverty—those deprived of basic human needs; including food, safe drinking water, sanitation facilities, health care, shelter, and education. Donations will be used to support local families in our community through our Thyme to Thrive Program as well as programs and projects in Zimbabwe which include building a medical center.

To Love A Child invites you to make a difference in a child's life. Your help and generosity are greatly needed this year to support our vision and mission in helping impoverished children. Over the past 13 years we continue to change lives through our journeys and your support.

Donations can be made on PayPal by visiting the website [www.toloveachild.net](http://www.toloveachild.net) or by mailing a check to: To Love A Child Inc., PO Box 165, Clifton Park, NY 12065

Your support and generosity is greatly appreciated.

Established in April of 2009, To Love a Child, Inc. is a local nonprofit 501 (c) 3 organization that provides educational, medical, agricultural, and nutritional programs to impoverished children and their families in Africa and Haiti to help create a better future and quality of life for all.

It's all about the love for a child...a child on the other side of the world or a child in your own back yard. It's about a child who needs education, essential supplies and support services. It's about a child who needs a warm hug, a smile and the hope, strength and encouragement to keep going and not give up. It's who we are and what we strive to do. Further information about the organization and its programs can be found at [www.toloveachild.net](http://www.toloveachild.net).
