Established in April of 2009, To Love a Child, Inc. is a nonprofit 501 (c) 3 organization that provides humanitarian assistance to impoverished children and their families throughout the world to help create a better future and quality of life for all.

It’s all about the love for a child...a child on the other side of the world or a child in your own back yard. It’s about a child who needs education, essential supplies and support services. It’s about a child who needs a warm hug, a smile and the hope, strength and encouragement to keep going and not give up. It’s who we are and what we strive to do. Further information about the organization and its programs can be found at [www.toloveachild.net](http://www.toloveachild.net).
