### PRESS RELEASE – FOR IMMEDIATE RELEASE ---

Clifton Park, NY--

#### **To Love A Child launches June Dollar for Dollar Match to fight hunger and support vital programs**

Hunger doesn't stop. Neither do we. To Love A Child is seeking donors for its June Dollar for Dollar Match. Each dollar that is donated to **To Love A Child, Inc.** will be matched by an anonymous donor dollar-for-dollar during the month of June up to a total of \$10,000! According to the World Food Programme—"Every day too many men and women across the globe struggle to feed their children a nutritious meal. In a world where we produce enough food to feed everyone, **821 million people – one in nine – still go to bed on an empty stomach each night.** Even more – one in three – suffer from some form of malnutrition. Eradicating hunger and malnutrition is one of the great challenges of our time. Not only do the consequences of not enough – or the wrong – food cause suffering and poor health, they also slow progress in many other areas of development like education and employment."

Donations during the month of June will help us to support our local programs; such as the Sunshine Friends Bags for Seniors and our international projects in Zimbabwe and Haiti to include school building, crop planting, clean water, solar power, education, nutrition and many other programs as well. Please visit [www.toloveachild.net](http://www.toloveachild.net) for more detailed information and to make a secure donation through PayPal or checks may be sent to To Love A Child, Inc., PO Box 165, Clifton Park, NY 12065. Thank you for your support. Together we will make a difference in the lives of many.

Established in April of 2009, To Love a Child, Inc. is a local nonprofit 501 (c) 3 organization that provides educational, medical, agricultural, and nutritional programs to impoverished children and their families in Africa and Haiti to help create a better future and quality of life for all.

It's all about the love for a child...a child on the other side of the world or a child in your own back yard. It's about a child who needs education, essential supplies and support services. It's about a child who needs a warm hug, a smile and the hope, strength and encouragement to keep going and not give up. It's who we are and what we strive to do.

Further information about the organization and its programs can be found at [www.toloveachild.net](http://www.toloveachild.net).
